- Relieve asthma
- Reduce chronic pain
- Reduce candida

Wade McNutt, bodybuilding champ, says, *"I believe Kangen Water™ will be the next great thing in athletic performance."*

✧ Wellness in Your Water ✧

Kangen water has been used in hospitals in Japan for over 30 years for its health benefits! Now available for home use in America.

"I think that drinking Kangen water is the most important thing a person can do for their health." - Dr. David Carpenter

NOT ALL WATER IS CREATED EQUAL

Join us for a free, informative seminar on a remarkable system that *restructures* water. After going through this process, water becomes alkalizing, detoxifying, deeply hydrating and a powerful antioxidant.

Anyone interested in a simple, effective, and affordable way to improve their health should attend this presentation. You really need to see it to believe it! It will challenge, and change, your view of wellness care.

✧ **Dr. Hiromi Shinya**, famous for inventing colonoscopy, has a 0% recurrence rate in his cancer patients. He has his patients drink Kangen Water™ every day as part of their wellness lifestyle. ✧
